It all began with a group of women working out of their homes on different missions projects. In 2002, Hands of Hope (formerly known as Mission Work Bee) was founded. The group meets on the first Saturday of each month, making items to send to different ministries all around the world. Faiths Orphan Foundation in Zambia is an organization Hands of Hope has been working with for the past 15 years.

Anne Robertson recently travelled to Zambia to help celebrate their 25th anniversary and witness the significance of the impact Faiths Orphan Foundation has had and continues to have on the lives of orphaned and vulnerable children of Zambia.

Anne is excited to share her story of her visit to Africa. Come and hear how this trip has changed her and learn how Hands of Hope continues to work with Faiths Orphan Foundation.
